Parent & Child Aquatics

6 months - 48 months

This course helps young children develop a comfort in and around the water, fostering a readiness to swim using songs and games. This course does not teach children to be accomplished swimmers or to survive in the water. All children must follow the "3 Layers of Protection" guidelines posted in the pool which requires children to wear a swim diaper and tight-fitting swim diaper cover under their bathing suit. Children must be registered in the appropriate age group and parent must accompany child in the pool. Level One must be completed and passed to register for Level Two.
